Paradise in the Heart of Pigeon Forge! This spacious 4-bedroom, 4.5-bath cabin offers breathtaking mountain views and an unbeatable location just 2 miles from the Parkway. You'll be minutes from Dollywood, The Island, the new Margaritaville attractions, and the entrance to the Great Smoky Mountains National Park-the most visited park in the country. Unlike a typical rental cabin, this property was thoughtfully designed with comfort and entertaining in mind. Main Level Gourmet kitchen with eat-in bar and full dining table Spacious living room with a cozy gas log fireplace and stunning Smoky Mountain views Primary en-suite with the same incredible views and direct deck access to the private hot tub Upper Level Two bedrooms, each with a private bath Spacious sitting area Lower Level Second living room and gaming area Private theater room Additional large suite with walk-out access to the lower deck Additional highlights include ample parking for 5-6 cars, easy year-round access, and a property that is well-maintained and sold fully furnished. With its prime location, spectacular views, and turn-key setup, this cabin is a proven winner as a short-term rental or private mountain retreat.
